APPENDIX B

USPS Handbook PO-101 NEPA Checklist

Additional Assessment Item Guidance for the subject site and any adjacent surroundings:

1. Coastal area – There is a law called the ‘Coastal Zone Management Act’ (CZMA) which concerns property actions if they are in such a zone. Indicators of such zone likelihood would be proximity to a major water body, not necessarily ocean or bay. For example, the Gowanus Canal in Brooklyn, NY has some CZMA requirements as it eventually feeds into the Atlantic Ocean. Many of the coastal designations ultimately feed into a coastal water body. But this observation would not include water bodies such as small streams, small lakes or ponds.
2. Historic, cultural or archaeological resources – Buildings over 50 years old can be considered for formal historic designation. There is a spot for noting building age on the form. There may be other circumstances you are aware of – e.g., formal historic designation, local interest in making the site historic, certainty that the site is in an official historic district. You also need to consider any art resources under this item such as murals, frescos or other permanently affixed postal items of historic or artistic value.
3. Traffic – This consideration has to be isolated for the closure only, not for any other location impacted by the closure (that is a separate process). So, an example might be if a closed facility also provided access to some other area and now that access will not be maintained or as easily used. General traffic considerations relate to noise and air quality impacts, but that is not typically for closures.
4. Adverse impact to natural resources (e.g. – air, water, soil) – Look for obvious concerns such as an ongoing remediation at the site. USPS still has obligations to comply even if the facility is not operational, but vacancy could impact progress and efficiency of such a clean-up. Explain very briefly, but contact charlotte.parrish@usps.gov for further guidance before finalizing the form.

Postal Customer
MILLEDGEVILLE, OH 43142

This letter provides notice that the U.S. Postal Service is conducting a discontinuance feasibility study of facility operations at the Milledgeville Post Office into the Jeffersonville Post Office.

The office is being studied due to declining office workload, which may indicate that maintaining this facility is not warranted. Over the past several years, this office has experienced a steady decline in revenue and/or volume. There are a number of alternate sites within a short radius of this office to provide the sales of stamps and the mailing of most package items.

A discontinuance feasibility study involves a review of delivery and retail operations of a postal facility. The purpose of the study is to evaluate the facility's operations in a continuing effort to meet customers' retail needs, improve productivity, increase efficiency, and cut costs.

Customer needs have changed dramatically. Many customers receive and pay their bills online and communicate by email and text messaging. In addition, many customers demand easier, more convenient access to Postal Service products and services when and where they want them – online, on their smart phones, and at the stores they frequent.

If a decision is ultimately made to discontinue the Milledgeville Post Office and you are a Post Office Box customer, you will have the option of Post Office Box delivery at the Jeffersonville Post Office. To request delivery, submit a request for establishment of rural delivery service, PS Form 4027, "Petition for Change in Rural Delivery". This form is available at the Milledgeville Post Office. The Jeffersonville Post Office is 5.0 miles away and has retail hours from 900 to 1300 - 1400 to 1600 Monday through Friday and 1000 to 1200 on Saturday.

Retail services would continue to be available through a variety of channels beyond traditional brick-and-mortar facilities, such as the www.usps.com website, non-city delivery carriers, stamp consignment locations, and Stamps by Mail, Fax, and Phone.

We value your opinions during this review process. As the Postal Manager responsible for all Post Offices in your area, I would like your input concerning your postal needs. We encourage you to complete and return the enclosed survey in the pre-addressed, postage-paid envelope provided. Your responses along with others received will be included in the study and considered carefully before any final determination regarding discontinuance is made. Please submit your response no later than October 02, 2011.

A community meeting will be held to explain the process and to address community concerns. Postal representatives will be at the Milledgeville Town Hall Community Center on 09/21/2011 from 7:30 PM to 8:30 PM to answer questions and provide information about our service. You may wish to discuss and submit your questionnaire at that time.

Written comments may be hand-delivered to the Milledgeville Post Office or mailed to:

District Discontinuance Coordinator
CINCINNATI PFC
1591 Dalton Ave
Cincinnati Ohio, 45234-9990

The study consists of a publicly available record, so please be advised that any information or responses that you furnish will be visible to others.

A proposal that further explains the nature and justification of the proposed change in service and requests for customer comment may be posted prior to the community meeting. Comments received from the questionnaire, community meeting, and proposal will be considered prior to making a final determination.

If you have any questions concerning this discontinuance feasibility study, please contact Bob Redden, District Discontinuance Coordinator Contact at (513) 684-5454.

Sincerely,

Kathie Sherred

As the Postal Service manager responsible for all Post Offices in your area, I would like your opinion concerning a possible change in the way postal services are provided. Our tentative plans will only lead to a formal proposal if we are satisfied that a maximum degree of regular and effective service can be provided.

The office is being studied, due to declining office workload, which may indicate that maintaining this facility is not warranted. Over the past several years, this office has experienced a steady decline in revenue and/or volume. There are a number of alternate sites within a short radius of this office to provide the sales of stamps and the mailing of most package items. The current community that this office resides in is going to incorporate with the neighboring city and the Postal Service is determining the needs of the new community structure.

If you would like an opportunity to discuss alternatives with us, a postal representative will be at Milledgeville Town Hall Community Center on 09/21/2011 from 7:30 PM to 8:30 PM to answer questions and provide information about our service.

If you have any questions, you may contact Bob Redden at (513) 684-5454.

PROPOSAL TO CLOSE
THE MILLEDGEVILLE, OH POST OFFICE
AND EXTEND
SERVICE BY RURAL ROUTE SERVICE

I. RESPONSIVENESS TO COMMUNITY POSTAL NEEDS

The Postal Service is proposing to close the Milledgeville, OH Post Office and provide delivery and retail services by rural route service under the administrative responsibility of the Jeffersonville Post Office, located five miles away.

The office is being studied for possible closing or consolidation due to the following reasons; Due to declining office workload, which may indicate that maintaining this facility is not warranted. Over the past several years, this office has experienced a steady decline in revenue and/or volume. There are a number of alternate sites within a short radius of this office that can provide the sale of stamps and the mailing of most package items.

The Post Office facility had severe building deficiencies that included: No known or reported structural defects. Well maintained facility. Window at screenline needs replaced to provide security. The Milledgeville Post Office provides retail service from 800 to 1200 - 1300 to 1600 Monday through Friday and 800 to 1000 on Saturday. Over the past several years there has been a decline in the amount of walk in revenue generated.

The revenue trend is as follows: FY 07 \$ 13,156, FY 08 \$ 15,702, FY 09 \$ 12,343 and FY 10 \$ 14,673.

On September 21, 2011, representatives from the Postal Service will be available at Milledgeville Town Hall Community Center from 7:30 PM to 8:30 PM to answer questions and provide information to customers.

On or about September 15, 2011, questionnaires were distributed to customers of the Milledgeville Post Office. Questionnaires were also available over the counter for retail customers at the Milledgeville Post Office.

If this proposal is implemented, delivery and retail services will be provided by the Jeffersonville Post Office, an EAS-16 level office. Window service hours at the Jeffersonville Post Office are from 900 to 1300 - 1400 to 1600, Monday through Friday, and 1000 to 1200 on Saturday.

Some advantages of the proposal are:

1. The rural and contract carriers may provide retail services, alleviating the need to go to the post office. Stamps by Mail order forms are provided for customer convenience.
2. Customers opting for carrier service will have 24-hour access to their mail.
3. Savings for the Postal Service contribute in the long run to stable postage rates and savings for customers.
4. Customers opting for carrier service will not have to pay post office box fees.
5. Saves time and energy for customers who drive to the post office to pick up mail.

Some disadvantages of the proposal are:

1. The loss of a retail outlet and a postmaster position in the community. Retail services may be provided by the rural or contract delivery carrier.
2. Meeting the rural or contract delivery carrier at the box to transact business. However, it is not necessary to be present to conduct most Postal Service transactions.
3. A change in the mailing address. The community name will continue to be used in the new address. A carrier route address will be assigned.

II. EFFECT ON COMMUNITY

Milledgeville is an incorporated community located in Fayette County. The community is administered politically by Mayor and Village Council. Police protection is provided by the Fayette County Sheriff. Fire protection is provided by the Jasper Township and Jeffersonville Township Fire Departments. The community is comprised of retirees, those who commute to other communities for work, farmers, and local business owners and workers and those who commute to work at nearby communities and may work in local businesses.

Businesses and organizations include: Glispie Garage, Craig Farms, Village of Milledgeville, Village of Octa, Jasper Township Trustees. Residents may travel to nearby communities for other supplies and services.

Nonpostal services provided at the Milledgeville Post Office will be available at the Jeffersonville Post Office. Government forms normally provided by the Post Office will also be available at the Jeffersonville Post Office or by contacting your local government agency.

This proposed office provides assistance to the senior citizens Establish rural delivery.

This Milledgeville Post Office is not listed as a historic landmark. The community name will be maintained for customer addressing, and the Zip Code is not expected to change.

Based on the information obtained in the course of this discontinuance study, the Postal Service concludes this proposal will not adversely affect the community and every effort will be made to maintain the identity.

III. EFFECT ON EMPLOYEES

The postmaster position became vacant when the postmaster was promoted on June 07, 2008. Finally there are 1 PMR(s) assigned to this unit. The PMR(s) may be separated from the Postal Service.

IV. ECONOMIC SAVINGS

The Postal Service estimates a ten year savings of \$ 162,610 with a breakdown as follows:

Building Maintenance	\$ 0
Utilities	\$ 0
Transportation	\$ 29,190
EAS Craft & Labor	\$ 203,130
Contracts	\$ -8,601
Rent	\$ -17,900
Relocation One-Time Cost	\$ 800
Total Ten Year Savings	\$ 162,610

V. OTHER FACTORS

The Postal Service has identified no other factors for consideration.

VI. SUMMARY

The Postal Service is proposing to close the Milledgeville, OH Post Office and provide delivery and retail services by rural route service under the administrative responsibility of the Jeffersonville Post Office, located five miles away.

The 1 PMR(s) assigned to this unit may be separated from the Postal Service. The mail volume has declined. Effective and regular service will continue to be provided by rural route service.

The Milledgeville Post Office provided delivery and retail service to 68 PO Box or general delivery customers and no delivery route customers.

There will no longer be a retail outlet in the community. However, delivery and retail services may be available from a rural or contract delivery carrier, which could alleviate the need to travel to a Post Office for service. The Postal Service will save an estimated \$ 162,610 over the next ten years. A disadvantage to some may be in meeting the rural or contract delivery carrier to transact business. However, it is not necessary to be present to conduct most Postal Service transactions with rural or contract delivery carrier.

VII. NOTICES

- A. Support Materials. Copies of all materials upon which this proposal is based are available for public inspection at the Milledgeville Post Office and Jeffersonville Post Office during normal office hours.
- B. This is a proposal. It is not a final determination to close this post office. If a final determination is made to close this post office, after public comments on this proposal are received and taken into account, a notice of that final determination will be posted in this office.

The final determination will contain instructions on how affected customers may appeal that decision to the Postal Regulatory Commission. Any such appeal must be received by the commission within 30 days of the posting of the final determination.

Dear Postal Service Customer:

Thank you for returning your questionnaire concerning the proposed discontinuance of the Milledgeville Post Office. Your comments, along with others received, will be included in the official record and considered carefully before further action is taken.

In response to your letter:

- You expressed a concern about the loss of the bulletin board at the Post Office. Many retail outlets and grocery stores are now displaying a public bulletin board in which items can be posted for sale, and/or lost and found items can be posted, and a variety of other information. The administrative Post Office may have a public bulletin board which may be used to post the same information.

If it is determined that a discontinuance of the Milledgeville Post Office should be pursued, a formal proposal will be posted in the Jeffersonville Post Office and Milledgeville Post Office at a later date. If you have additional questions or comments, please feel free to contact Bob Redden at (513) 684-5454.

Dear Postal Service Customer:

Thank you for returning your questionnaire concerning the proposed discontinuance of the Milledgeville Post Office. Your comments, along with others received, will be included in the official record and considered carefully before further action is taken.

In response to your letter:

- You expressed a concern about senior citizens. Carrier service is beneficial to many senior citizens and those who face special challenges because the carrier can provide delivery and retail services to roadside mailboxes or Centralized Box Units. Customers do not have to make a special trip to the Post Office for service. Special provisions are made for hardship cases or special customer needs. To request an exception for hardship delivery, customers may contact the administrative postmaster for more information.
- You expressed a concern about the loss of the bulletin board at the Post Office. Many retail outlets and grocery stores are now displaying a public bulletin board in which items can be posted for sale, and/or lost and found items can be posted, and a variety of other information. The administrative Post Office may have a public bulletin board which may be used to post the same information.

If it is determined that a discontinuance of the Milledgeville Post Office should be pursued, a formal proposal will be posted in the Jeffersonville Post Office and Milledgeville Post Office at a later date. If you have additional questions or comments, please feel free to contact Bob Redden at (513) 684-5454.

Dear Postal Service Customer:

Thank you for returning your questionnaire concerning the proposed discontinuance of the Milledgeville Post Office. Your comments, along with others received, will be included in the official record and considered carefully before further action is taken.

In response to your letter:

- You expressed a concern about the loss of the bulletin board at the Post Office. Many retail outlets and grocery stores are now displaying a public bulletin board in which items can be posted for sale, and/or lost and found items can be posted, and a variety of other information. The administrative Post Office may have a public bulletin board which may be used to post the same information.
- You expressed a concern about the loss of a gathering place and an information center. Residents may continue to meet informally, socialize, and share information at the other businesses, churches and residences in town.

If it is determined that a discontinuance of the Milledgeville Post Office should be pursued, a formal proposal will be posted in the Jeffersonville Post Office and Milledgeville Post Office at a later date. If you have additional questions or comments, please feel free to contact Bob Redden at (513) 684-5454.

Thank you for returning your questionnaire concerning the proposed discontinuance of the Milledgeville Post Office. Your comments, along with others received, will be included in the official record and considered carefully before further action is taken.

In response to your letter:

- You expressed a concern about the loss of a bus stop at the Post Office. Customers may contact the county school board to determine if they would be willing to erect a small building, which would shelter children from the wind while they wait on the school bus. Or contact neighboring businesses to ascertain if they would allow children to wait on the bus at their business.

If it is determined that a discontinuance of the Milledgeville Post Office should be pursued, a formal proposal will be posted in the Jeffersonville Post Office and Milledgeville Post Office at a later date. If you have additional questions or comments, please feel free to contact Bob Redden at (513) 684-5454.

Dear Postal Service Customer:

Thank you for returning your questionnaire concerning the proposed discontinuance of the Milledgeville Post Office. Your comments, along with others received, will be included in the official record and considered carefully before further action is taken.

In response to your letter:

- You were concerned about obtaining services from the carrier. Most retail services provided at the post office are available from the carrier and do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Listed below are some services available from the carrier and how to obtain them.

PURCHASING STAMPS BY MAIL

The Stamps by Mail Program provides customers the opportunity to purchase stamps, envelopes, and postal cards by using a Stamps by Mail order form, available from the post office or the carrier. Commemorative stamps and stamp collecting products are also available. The customer addresses the postage paid order form envelope, encloses payment by personal check or postal money order made payable to the US Postal Service, and mails the form (postage-free) or leaves it in the mailbox for the carrier to pick up. Most orders are processed overnight, and some immediately.

PURCHASING POSTAL MONEY ORDERS

Customers may purchase money orders by meeting the carrier at the mailbox, completing an application, and paying the carrier (in cash) the price of the money order, plus the fee. The carrier gives the customer a receipt for the application. The money order is completed when the carrier returns to the post office, and a money order receipt is left in the customer's mailbox on the next delivery day. Most customers provide the carrier with a stamped, self-addressed envelope in which the completed money order is mailed to its destination. If customers prefer, the completed money orders will be returned for verification on the next delivery day.

SPECIAL SERVICES

Special services such as certified, registered, Express Mail, delivery confirmation, signature confirmation, and COD may be obtained from the carrier by leaving a note in the mailbox, along with the appropriate payment. The carrier will provide the services that day and leave a customer receipt in the mailbox on the next delivery day.

HOLDING MAIL

Customers who will be away for an extended time, such as a vacation, may request that their mail be held at the post office during their absence. Upon return the customer asks the post office to resume delivery.

If it is determined that a discontinuance of the Milledgeville Post Office should be pursued, a formal proposal will be posted in the Jeffersonville Post Office and Milledgeville Post Office at a later date. If you have additional questions or comments, please feel free to contact Bob Redden at (513) 684-5454.

Dear Postal Service Customer:

Thank you for returning your questionnaire concerning the proposed discontinuance of the Milledgeville Post Office. Your comments, along with others received, will be included in the official record and considered carefully before further action is taken.

In response to your letter:

- You expressed a concern about the loss of a bus stop at the Post Office. Customers may contact the county school board to determine if they would be willing to erect a small building, which would shelter children from the wind while they wait on the school bus. Or contact neighboring businesses to ascertain if they would allow children to wait on the bus at their business.
- You expressed a concern about the loss of the bulletin board at the Post Office. Many retail outlets and grocery stores are now displaying a public bulletin board in which items can be posted for sale, and/or lost and found items can be posted, and a variety of other information. The administrative Post Office may have a public bulletin board which may be used to post the same information.

If it is determined that a discontinuance of the Milledgeville Post Office should be pursued, a formal proposal will be posted in the Jeffersonville Post Office and Milledgeville Post Office at a later date. If you have additional questions or comments, please feel free to contact Bob Redden at (513) 684-5454.

The Stamps by Mail Program provides customers the opportunity to purchase stamps, envelopes, and postal cards by using a Stamps by Mail order form, available from the post office or the carrier. Commemorative stamps and stamp collecting products are also available. The customer addresses the postage paid order form envelope, encloses payment by personal check or postal money order made payable to the US Postal Service, and mails the form (postage-free) or leaves it in the mailbox for the carrier to pick up. Most orders are processed overnight, and some immediately.

PURCHASING POSTAL MONEY ORDERS

Customers may purchase money orders by meeting the carrier at the mailbox, completing an application, and paying the carrier (in cash) the price of the money order, plus the fee. The carrier gives the customer a receipt for the application. The money order is completed when the carrier returns to the post office, and a money order receipt is left in the customer's mailbox on the next delivery day. Most customers provide the carrier with a stamped, self-addressed envelope in which the completed money order is mailed to its destination. If customers prefer, the completed money orders will be returned for verification on the next delivery day.

SPECIAL SERVICES

Special services such as certified, registered, Express Mail, delivery confirmation, signature confirmation, and COD may be obtained from the carrier by leaving a note in the mailbox, along with the appropriate payment. The carrier will provide the services that day and leave a customer receipt in the mailbox on the next delivery day.

HOLDING MAIL

Customers who will be away for an extended time, such as a vacation, may request that their mail be held at the post office during their absence. Upon return the customer asks the post office to resume delivery.

If it is determined that a discontinuance of the Milledgeville Post Office should be pursued, a formal proposal will be posted in the Jeffersonville Post Office and Milledgeville Post Office at a later date. If you have additional questions or comments, please feel free to contact Bob Redden at (513) 684-5454.

Dear Postal Service Customer:

Thank you for returning your questionnaire concerning the proposed discontinuance of the Milledgeville Post Office. Your comments, along with others received, will be included in the official record and considered carefully before further action is taken.

In response to your letter:

- You expressed a concern about senior citizens. Carrier service is beneficial to many senior citizens and those who face special challenges because the carrier can provide delivery and retail services to roadside mailboxes or Centralized Box Units. Customers do not have to make a special trip to the Post Office for service. Special provisions are made for hardship cases or special customer needs. To request an exception for hardship delivery, customers may contact the administrative postmaster for more information.
- You expressed a concern about the loss of a gathering place and an information center. Residents may continue to meet informally, socialize, and share information at the other businesses, churches and residences in town.
- You expressed a concern about the loss of the bulletin board at the Post Office. Many retail outlets and grocery stores are now displaying a public bulletin board in which items can be posted for sale, and/or lost and found items can be posted, and a variety of other information. The administrative Post Office may have a public bulletin board which may be used to post the same information.

If it is determined that a discontinuance of the Milledgeville Post Office should be pursued, a formal proposal will be posted in the Jeffersonville Post Office and Milledgeville Post Office at a later date. If you have additional questions or comments, please feel free to contact Bob Redden at (513) 684-5454.

Dear Postal Service Customer:

Thank you for returning your questionnaire concerning the proposed discontinuance of the Milledgeville Post Office. Your comments, along with others received, will be included in the official record and considered carefully before further action is taken.

Customers do not have to make a special trip to the Post Office for service. Special provisions are made for hardship cases or special customer needs. To request an exception for hardship delivery, customers may contact the administrative postmaster for more information.
- You expressed a concern about the loss of the bulletin board at the Post Office. Many retail outlets and grocery stores are now displaying a public bulletin board in which items can be posted for sale, and/or lost and found items can be posted, and a variety of other information. The administrative Post Office may have a public bulletin board which may be used to post the same information.
- You expressed a concern about the loss of a gathering place and an information center. Residents may continue to meet informally, socialize, and share information at the other businesses, churches and residences in town.

If it is determined that a discontinuance of the Milledgeville Post Office should be pursued, a formal proposal will be posted in the Jeffersonville Post Office and Milledgeville Post Office at a later date. Dear Postal Service Customer:

Thank you for returning your questionnaire concerning the proposed discontinuance of the Milledgeville Post Office. Your comments, along with others received, will be included in the official record and considered carefully before further action is taken.

In response to your letter:

- You expressed a concern about senior citizens. Carrier service is beneficial to many senior citizens and those who face special challenges because the carrier can provide delivery and retail services to roadside mailboxes or Centralized Box Units. Customers do not have to make a special trip to the Post Office for service. Special provisions are made for hardship cases or special customer needs. To request an exception for hardship delivery, customers may contact the administrative postmaster for more information.
- You expressed a concern about the loss of the bulletin board at the Post Office. Many retail outlets and grocery stores are now displaying a public bulletin board in which items can be posted for sale, and/or lost and found items can be posted, and a variety of other information. The administrative Post Office may have a public bulletin board which may be used to post the same information.
- You expressed a concern about the loss of a gathering place and an information center. Residents may continue to meet informally, socialize, and share information at the other businesses, churches and residences in town.

If it is determined that a discontinuance of the Milledgeville Post Office should be pursued, a formal proposal will be posted in the Jeffersonville Post Office and Milledgeville Post Office at a later date. If you have additional questions or comments, please feel free to contact Bob Redden at (513) 684-5454.

Sincerely,

Postal Concerns

The following postal concerns were expressed

1. Customers were concerned about obtaining services from the carrier.

Response:

Most retail services provided at the post office are available from the carrier and do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Listed below are some services available from the carrier and how to obtain them.

PURCHASING STAMPS BY MAIL

The Stamps by Mail Program provides customers the opportunity to purchase stamps, envelopes, and postal cards by using a Stamps by Mail order form, available from the post office or the carrier. Commemorative stamps and stamp collecting products are also available. The customer addresses the postage paid order form envelope, encloses payment by personal check or postal money order made payable to the US Postal Service, and mails the form (postage-free) or leaves it in the mailbox for the carrier to pick up. Most orders are processed overnight, and some immediately.

PURCHASING POSTAL MONEY ORDERS

Customers may purchase money orders by meeting the carrier at the mailbox, completing an application, and paying the carrier (in cash) the price of the money order, plus the fee. The carrier gives the customer a receipt for the application. The money order is completed when the carrier returns to the post office, and a money order receipt is left in the customer's mailbox on the next delivery day. Most customers provide the carrier with a stamped, self-addressed envelope in which the completed money order is mailed to its destination. If customers prefer, the completed money orders will be returned for verification on the next delivery day.

SPECIAL SERVICES

Special services such as certified, registered, Express Mail, delivery confirmation, signature confirmation, and COD may be obtained from the carrier by leaving a note in the mailbox, along with the appropriate payment. The carrier will provide the services that day and leave a customer receipt in the mailbox on the next delivery day.

HOLDING MAIL

Customers who will be away for an extended time, such as a vacation, may request that their mail be held at the post office during their absence. Upon return the customer asks the post office to resume delivery.

2. Customers were concerned about senior citizens.

Nonpostal Concerns

The following nonpostal concerns were expressed

1. Customer expressed a concern about the loss of the community bulletin board at the Post Office.

Response:

Many retail outlets and grocery stores are now displaying a public bulletin board in which items can be posted for sale, and/or lost and found items can be posted, and a variety of other information. The administrative Post Office may have a public bulletin board which may be used to post the same information.

2. Customers expressed a concern about the loss of a bus stop at the Post Office.

Response:

Customers may contact the county school board to determine if they would be willing to erect a small building, which would shelter children from the wind while they wait on the school bus. Or contact neighboring businesses to ascertain if they would allow children to wait on the bus at their business.

3. Customers were concerned about the loss of a gathering place and an information center.

Response:

Residents may continue to meet informally, socialize, and share information at the other businesses, churches and residences in town.

Postal Service Customer Community Meeting Analysis

(categorize customer concerns as postal or nonpostal and provide the Postal Service response for each.)

Postal Concerns

1. Concern (UnFavorable):
Customers felt inclement weather and poor road conditions might impede delivery.
Response:
Both inclement weather and heavy mail volume can cause deviations from the normal delivery schedule. However, the carrier is required to provide a vehicle of adequate size, equipped with necessary equipment (chains or snow tires, warning lights or signs, etc.) to serve the route safely and efficiently and in accordance with federal, state, and local motor vehicle laws and regulations.
2. Concern (UnFavorable):
Customers expressed concern about collection of outgoing mail.
Response:
The collection box will be retained and its mail will continue to be picked up Monday through Saturday. In addition, customers may place outgoing mail in their mailboxes to be collected and dispatched by the carrier.
3. Concern (UnFavorable):
Customers said they would miss the special attention and assistance provided by the personnel at the Post Office.
Response:
Courteous and helpful service will be provided by personnel at the administrative Post Office and from the carrier. Special assistance will be provided as needed.
4. Concern (UnFavorable):
Customers were concerned about a possible address change.
Response:
Customers will be assigned a 911 address. The new address will continue to use the community name and ZIP Code. Mail will be forwarded in accordance with postal regulations. Change of address forms are available online at usps.com or from the Postal Service to assist customers in notifying correspondents of the change.
5. Concern (UnFavorable):
Customers expressed concern over the dependability of rural route service.
Response:
Rural letter carriers perform a vital function in the United States Postal Service serving thousands of families and businesses in rural and suburban areas while traveling millions of miles daily. Rural letter carriers are highly respected by the American public. This respect has been earned by many years of dedication to the Postal Service and to postal customers. During national and local emergencies, including prolonged periods of extreme weather conditions, rural carriers have demonstrated great responsibility in providing mail service to postal customers. Rural carriers are required to serve the route expeditiously each day.
6. Concern (UnFavorable):
Customer suggested reducing/alternating the number of hours the post office operates.
Response:
The law regarding postal operations will not allow the Postal Service to reduce hours of Post Offices.
7. Concern (UnFavorable):
Customers expressed concern over the apparent lack of interest by the Postal Service for the needs of the community.
Response:
The Postal Service is required to provide each community with regular and effective service, using the most cost efficient means possible. The proposed alternate delivery service will meet the mailing and service needs of the community in a more cost effective manner.
8. Concern (UnFavorable):
Customers expressed concern for those customers with disabilities who are not able to go to administrative Post Office to pick up their mail.
Response:
Customers are not required to travel to another Post Office to receive mail or obtain retail services. These services will be provided by the carrier to a roadside mailbox located close to customers' residences. In hardship cases, delivery can be made to the home of a customer. Changes in the type of delivery are considered where service by existing methods would impose an extreme physical hardship for an individual customer. Any request for a change in delivery method must be submitted in writing to the administrative

postmaster.

9. Concern (UnFavorable):
Customers were concerned about having to travel to another Post Office for service.

Response:

Services provided at the Post Office will be available from the carrier, and customers will not have to travel to another Post Office for service. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Stamps are also available at many stores and gas stations where customers may already shop, online at usps.com, or by calling 1-800-STAMP-24.

10. Concern (UnFavorable):
Customers were concerned about obtaining services from the carrier.

Response:

Most retail services provided at the post office are available from the carrier and do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Listed below are some services available from the carrier and how to obtain them.

PURCHASING STAMPS BY MAIL

The Stamps by Mail Program provides customers the opportunity to purchase stamps, envelopes, and postal cards by using a Stamps by Mail order form, available from the post office or the carrier. Commemorative stamps and stamp collecting products are also available. The customer addresses the postage paid order form envelope, encloses payment by personal check or postal money order made payable to the US Postal Service, and mails the form (postage-free) or leaves it in the mailbox for the carrier to pick up. Most orders are processed overnight, and some immediately.

PURCHASING POSTAL MONEY ORDERS

Customers may purchase money orders by meeting the carrier at the mailbox, completing an application, and paying the carrier (in cash) the price of the money order, plus the fee. Most customers provide the carrier with a stamped, self-addressed envelope in which the completed money order is mailed to its destination. If customers prefer, the completed money orders will be returned for verification on the next delivery day.

SPECIAL SERVICES

Special services such as certified, registered, Express Mail, delivery confirmation, signature confirmation, and COD may be obtained from the carrier by leaving a note in the mailbox, along with the appropriate payment. The carrier will provide the services that day and leave a customer receipt in the mailbox on the next delivery day.

HOLDING MAIL

Customers who will be away for an extended time, such as a vacation, may request that their mail be held at the post office during their absence. Upon return the customer asks the post office to resume delivery.

11. Concern (UnFavorable):
Customers were concerned about having to make an address change on their bank checks and stationery.

Response:

Customers will be assigned a carrier route address. The new address will continue to use the community name and ZIP Code. Mail will be forwarded in accordance with postal regulations, and change of address forms are available online at usps.com or from the Postal Service to assist customers in notifying correspondents of the change. Customers may deplete their current supply of checks and stationery and make the address corrections when ordering new supplies.

12. Concern (UnFavorable):
Customers stated that having this meeting was a waste of time. The community was faced with losing their post office 25 years ago and they beat it, and that they would do the same thing this time.

Response:

The Postal Service is in a financial crisis and is using every legal means to reduce the costs of operation. The study for discontinuance of nearly 3700 postal retail sites is a part of the cost reduction effort.

Nonpostal Concerns

1. Concern (UnFavorable):
Customers questioned the economic savings of the proposed discontinuance. Concern was also expressed that too much money was spent in the larger cities.

Response:

Carrier service can be and, in this case, is more cost-effective than maintaining a postal facility and a postmaster position. The Postal Service estimates an annual savings with this change. Additional funds are necessary in larger cities because of a greater workload. Larger cities often realize greater revenue which can offset their greater expenses.

2. Concern (UnFavorable):
Customer expressed a concern about nonpostal services.
Response:
Nonpostal services provided at the Post Office will be available at the administrative Post Office.
Government forms normally provided by the Post Office will also be available at the administrative Post Office or by contacting your local government agency.
3. Concern (UnFavorable):
Customers were concerned about the loss of a gathering place and an information center.
Response:
Residents may continue to meet informally, socialize, and share information at the other businesses, churches and residences in town.
4. Concern (UnFavorable):
Customers felt the Post Office should remain open since they paid taxes.
Response:
The Postal Service is not supported by tax dollars and must meet expenses by revenue it generates.
Operational savings for the Postal Service contributes in the long run to stable postage rates and savings for customers.

PROPOSAL TO CLOSE
THE MILLEDGEVILLE, OH POST OFFICE
AND EXTEND
SERVICE BY RURAL ROUTE SERVICE

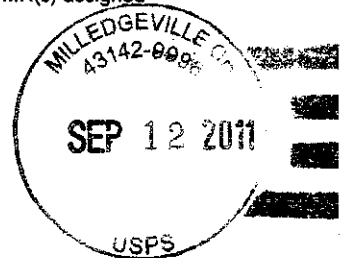

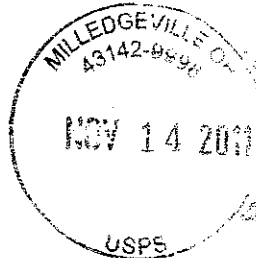

III. EFFECT ON EMPLOYEES

The postmaster position became vacant when the postmaster was promoted on June 07, 2008. Finally there are 1 PMR(s) assigned to this unit. The PMR(s) may be separated from the Postal Service.

IV. ECONOMIC SAVINGS

The Postal Service estimates a ten year savings of \$ 162,610 with a breakdown as follows:

Building Maintenance	\$ 0
Utilities	\$ 0
Transportation	\$ 29,190
EAS Craft & Labor	\$ 203,130
Contracts	\$ -8,601
Rent	\$ -17,900
Relocation One-Time Cost	\$ 800
Total Ten Year Savings	\$ 162,610

V. OTHER FACTORS

The Postal Service has identified no other factors for consideration.

VI. SUMMARY

The Postal Service is proposing to close the Milledgeville, OH Post Office and provide delivery and retail services by rural route service under the administrative responsibility of the Jeffersonville Post Office, located five miles away.

The 1 PMR(s) assigned to this unit may be separated from the Postal Service. The mail volume has declined. Effective and regular service will continue to be provided by rural route service.

The Milledgeville Post Office provided delivery and retail service to 68 PO Box or general delivery customers and no delivery route customers.

There will no longer be a retail outlet in the community. However, delivery and retail services may be available from a rural or contract delivery carrier, which could alleviate the need to travel to a Post Office for service. The Postal Service will save an estimated \$ 162,610 over the next ten years. A disadvantage to some may be in meeting the rural or contract delivery carrier to transact business. However, it is not necessary to be present to conduct most Postal Service transactions with rural or contract delivery carrier.

Taking all available information into consideration, the Postal Service has determined that the advantages outweigh the disadvantages and this proposal is warranted.

VII. NOTICES

- Support Materials. Copies of all materials upon which this proposal is based are available for public inspection at the Milledgeville Post Office and Jeffersonville Post Office during normal office hours.
- This is a proposal. It is not a final determination to close this post office. If a final determination is made to close this post office, after public comments on this proposal are received and taken into account, a notice of that final determination will be posted in this office.

The final determination will contain instructions on how affected customers may appeal that decision to the Postal Regulatory Commission. Any such appeal must be received by the commission within 30 days of the posting of the final determination.

PROPOSAL TO CLOSE
THE MILLEDGEVILLE, OH POST OFFICE
AND EXTEND
SERVICE BY RURAL ROUTE SERVICE

I. RESPONSIVENESS TO COMMUNITY POSTAL NEEDS

The Postal Service is proposing to close the Milledgeville, OH Post Office and provide delivery and retail services by rural route service under the administrative responsibility of the Jeffersonville Post Office, located five miles away.

The office is being studied for possible closing or consolidation due to the following reasons; Due to declining office workload, which may indicate that maintaining this facility is not warranted. Over the past several years, this office has experienced a steady decline in revenue and/or volume. There are a number of alternate sites within a short radius of this office that can provide the sale of stamps and the mailing of most package items.

The Post Office facility had severe building deficiencies that included: No known or reported structural defects. Well maintained facility. Window at screenline needs replaced to provide security. The Milledgeville Post Office provides retail service from 800 to 1200 - 1300 to 1600 Monday through Friday and 800 to 1000 on Saturday. Over the past several years there has been a decline in the amount of walk in revenue generated.

The revenue trend is as follows: FY 07 \$ 13,156, FY 08 \$ 15,702, FY 09 \$ 12,343 and FY 10 \$ 14,673.

On September 21, 2011, representatives from the Postal Service will be available at Milledgeville Town Hall Community Center from 7:30 PM to 8:30 PM to answer questions and provide information to customers.

On or about September 15, 2011, questionnaires were distributed to customers of the Milledgeville Post Office. Questionnaires were also available over the counter for retail customers at the Milledgeville Post Office.

If this proposal is implemented, delivery and retail services will be provided by the Jeffersonville Post Office, an EAS-16 level office. Window service hours at the Jeffersonville Post Office are from 900 to 1300 - 1400 to 1600, Monday through Friday, and 1000 to 1200 on Saturday.

Some advantages of the proposal are:

1. The rural and contract carriers may provide retail services, alleviating the need to go to the post office. Stamps by Mail order forms are provided for customer convenience.
2. Customers opting for carrier service will have 24-hour access to their mail.
3. Savings for the Postal Service contribute in the long run to stable postage rates and savings for customers.
4. CBUs can offer the security of individually locked mail compartments. Parcel lockers provide convenient parcel delivery for customers.
5. Customers opting for carrier service will not have to pay post office box fees.
6. Saves time and energy for customers who drive to the post office to pick up mail.

Some disadvantages of the proposal are:

1. The loss of a retail outlet and a postmaster position in the community. Retail services may be provided by the rural or contract delivery carrier.
2. Meeting the rural or contract delivery carrier at the box to transact business. However, it is not necessary to be present to conduct most Postal Service transactions.
3. A change in the mailing address. The community name will continue to be used in the new address. A carrier route address will be assigned.

II. EFFECT ON COMMUNITY

Milledgeville is an incorporated community located in Fayette County. The community is administered politically by Mayor and Village Council. Police protection is provided by the Fayette County Sheriff. Fire protection is provided by the Jasper Township and Jeffersonville Township Fire Departments. The community is comprised of retirees, those who commute to other communities for work, farmers, and local business owners and workers and those who commute to work at nearby communities and may work in local businesses.

Businesses and organizations include: Glispie Garage, Craig Farms, Village of Milledgeville, Village of Octa, Jasper Township Trustees. Residents may travel to nearby communities for other supplies and services.

Nonpostal services provided at the Milledgeville Post Office will be available at the Jeffersonville Post Office. Government forms normally provided by the Post Office will also be available at the Jeffersonville Post Office or by contacting your local government agency.

This proposed office provides assistance to the senior citizens Establish rural delivery.

This Milledgeville Post Office is not listed as a historic landmark. The community name will be maintained for customer addressing, and the Zip Code is not expected to change.

Based on the information obtained in the course of this discontinuance study, the Postal Service concludes this proposal will not adversely affect the community and every effort will be made to maintain the identity.

III. EFFECT ON EMPLOYEES

The postmaster position became vacant when the postmaster was promoted on June 07, 2008. Finally there are 1 PMR(s) assigned to this unit. The PMR(s) may be separated from the Postal Service.

IV. ECONOMIC SAVINGS

The Postal Service estimates a ten year savings of \$ 162,610 with a breakdown as follows:

Building Maintenance	\$ 0
Utilities	\$ 0
Transportation	\$ 29,190
EAS Craft & Labor	\$ 203,130
Contracts	\$ -8,601
Rent	\$ -17,900
Relocation One-Time Cost	\$ 800
Total Ten Year Savings	\$ 162,610

V. OTHER FACTORS

The Postal Service has identified no other factors for consideration.

VI. SUMMARY

The Postal Service is proposing to close the Milledgeville, OH Post Office and provide delivery and retail services by rural route service under the administrative responsibility of the Jeffersonville Post Office, located five miles away.

The 1 PMR(s) assigned to this unit may be separated from the Postal Service. The mail volume has declined. Effective and regular service will continue to be provided by rural route service.

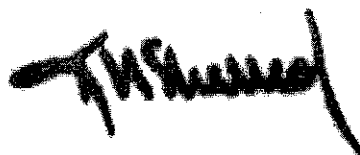

The Milledgeville Post Office provided delivery and retail service to 68 PO Box or general delivery customers and no delivery route customers.

There will no longer be a retail outlet in the community. However, delivery and retail services may be available from a rural or contract delivery carrier, which could alleviate the need to travel to a Post Office for service. The Postal Service will save an estimated \$ 162,610 over the next ten years. A disadvantage to some may be in meeting the rural or contract delivery carrier to transact business. However, it is not necessary to be present to conduct most Postal Service transactions with rural or contract delivery carrier.

VII. NOTICES

- A. Support Materials. Copies of all materials upon which this proposal is based are available for public inspection at the Milledgeville Post Office and Jeffersonville Post Office during normal office hours.
- B. This is a proposal. It is not a final determination to close this post office. If a final determination is made to close this post office, after public comments on this proposal are received and taken into account, a notice of that final determination will be posted in this office.

The final determination will contain instructions on how affected customers may appeal that decision to the Postal Regulatory Commission. Any such appeal must be received by the commission within 30 days of the posting of the final determination.

Dear Ms. Elsea:

This is in response to your facsimile inquiry received October 14 regarding your constituent, Mr. John Hiser, and the Milledgeville OH Post Office. I respectfully request any future correspondence be mailed hard-copy to my office.

At this time, no final decision has been made regarding the Milledgeville office. Since 2009 the US Postal Service has conducted feasibility studies nationwide to pursue solutions and strategies to reduce costs and adjust its operations and resources. These strategies include: consolidating some of our mail processing operations; adjusting delivery routes nationwide to current workload and mail volume; changing retail hours at some post offices to be more consistent with customer traffic patterns; relocating collection boxes from underused locations to high volume areas; consolidating delivery units serviced by the same mail processing facility.

If the study supports the business case for consolidation, we will hold a public meeting to allow members of the community to ask questions and provide feedback. We will notify you when any public meeting will be held. The public's comments, such as your constituent's letters, will be thoroughly considered in any final determination.

Your time is valuable and your comments are appreciated. As you are well aware, the Postal Service receives no tax dollars for operating expenses, and relies on the sale of postage, products and services to fund its operations. Nothing would please us more than to have businesses and customers increase their use of USPS products and services to avoid future office closures. Regardless, we have an unwavering commitment to providing effective service at affordable prices. Please know we are working diligently to ensure our service standards for all classes of mail are met for the Milledgeville residents and businesses – now and in the future.

Sincerely,

The Honorable Steve Austria
House of Representatives
Washington D.C. 20215

Dear Representative Austria:

I am writing you today to notify you that the Postal Service is considering closing our Post office in Hillsdaleville, Ohio 43142.

Our post office is very important to us as it is the heart of our community, where we post all our important documents and news articles. It is also important that we don't lose our identity.

It is my understanding that most businesses are having a tough time now days. According to the laws, the Postal Service is prohibited from permanently closing small post offices just to save money. They seem to be attempting to do this while Congress is dealing with other matters.

The Postal Service started this about 3 years ago when they started eliminating some of their retail products in small offices. We support our post office and want to continue to have our same services in our post office.

It is a shame that they want to close all these smaller offices and the rural people have to pay the price. Why do they always pick on us? Why do we always have to

about 1% of the postal budget, and we will have to travel to find these services that we have here now. Our community has many families who use the post office as a bank as they have no bank accounts. I would appreciate if you would address these issues. Time is of the essence. I look forward to hearing from you. Thank you very much for all your time in this matter.

FINAL DETERMINATION TO CLOSE
THE MILLEDGEVILLE, OH POST OFFICE
AND EXTEND
SERVICE BY RURAL ROUTE SERVICE

DOCKET NUMBER 1373139 - 43142

I. RESPONSIVENESS TO COMMUNITY POSTAL NEEDS

The Postal Service is issuing the final determination to close the Milledgeville, OH Post Office and provide delivery and retail services by rural route service under the administrative responsibility of the Jeffersonville Post Office, located five miles away.

The postmaster position became vacant when the postmaster was promoted on 06/07/2008. Postmaster level and office service hours are determined by a workload analysis which includes the number of deliveries and revenue.

The office is being studied for possible closing or consolidation due to the following reasons: Due to declining office workload, which may indicate that maintaining this facility is not warranted. Over the past several years, this office has experienced a steady decline in revenue and/or volume. There are a number of alternate sites within a short radius of this office that can provide the sale of stamps and the mailing of most package items.

The Milledgeville Post Office an EAS-55 provides retail service from 800 to 1200 - 1300 to 1600 Monday through Friday and 800 to 1000 on Saturday. The office saw a decline in the amount of walk in revenue generated compared to last year. You can also see the trend over the past several of years. The revenue trend is as follows: FY 07 \$ 13,156, FY 08 \$ 15,702, FY 09 \$ 12,343, FY 10 \$ 14,673 and FY 11 \$ 12,867.

On September 21, 2011, representatives from the Postal Service were available at Milledgeville Town Hall Community Center to answer questions and provide information to customers. 31 customer(s) attended the meeting.

On September 12, 2011, 70 questionnaires were distributed to delivery customers of the Milledgeville Post Office. Questionnaires were also available over the counter for retail customers at the Milledgeville Post Office. 29 questionnaires were returned. Responses regarding the proposed alternate service were as follows: 0 favorable, 6 unfavorable, and 23 expressed no opinion. One congressional inquiry was received on October 20, 2011.

When this final determination is implemented, delivery and retail services will be provided by the Jeffersonville Post Office, an EAS-16 level office. Window service hours at the Jeffersonville Post Office are from 900 to 1300 - 1400 to 1600, Monday through Friday, and 1000 to 1200 on Saturday.

The proposal to close the Milledgeville Post Office was posted with an invitation for comment at the Milledgeville Post Office and Jeffersonville Post Office from September 12, 2011 to November 13, 2011. The following postal concerns were expressed from questionnaires, the community meeting, on the petition, and on the congressional inquiry:

1. Concern:

Customers were concerned about obtaining services from the carrier.

Response:

Most retail services provided at the post office are available from the carrier and do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Listed below are some services available from the carrier and how to obtain them.

PURCHASING STAMPS BY MAIL

The Stamps by Mail Program provides customers the opportunity to purchase stamps, envelopes, and postal cards by using a Stamps by Mail order form, available from the post office or the carrier. Commemorative stamps and stamp collecting products are also available. The customer addresses the postage paid order form envelope, encloses payment by personal check or postal money order made payable to the US Postal Service, and mails the form (postage-free) or leaves it in the mailbox for the carrier to pick up. Most orders are processed overnight, and some immediately.

PURCHASING POSTAL MONEY ORDERS

Customers may purchase money orders by meeting the carrier at the mailbox, completing an application, and paying the carrier (in cash) the price of the money order, plus the fee. The carrier gives the customer a receipt for the application. The money order is completed when the carrier returns to the post office, and a money order receipt is left in the customer's mailbox on the next delivery day. Most customers provide the carrier with a stamped, self-addressed envelope in which the completed money order is mailed to its destination. If customers prefer, the completed money orders will be returned for verification on the next delivery day.

SPECIAL SERVICES

Special services such as certified, registered, Express Mail, delivery confirmation, signature confirmation, and COD may be obtained from the carrier by leaving a note in the mailbox, along with the appropriate payment. The carrier will provide the services that day and leave a customer receipt in the mailbox on the next delivery day.

HOLDING MAIL

Customers who will be away for an extended time, such as a vacation, may request that their mail be held at the post office during their absence. Upon return the customer asks the post office to resume delivery.

2. **Concern:**

Customers were concerned about senior citizens.

Response:

Carrier service is beneficial to many senior citizens and those who face special challenges because the carrier can provide delivery and retail services to roadside mailboxes or Centralized Box Units. Customers do not have to make a special trip to the Post Office for service. Special provisions are made for hardship cases or special customer needs. To request an exception for hardship delivery, customers may contact the administrative postmaster for more information.

3. **Concern:**

Customers were interested in obtaining services from the carrier.

Response:

Most retail services provided at the post office are available from the carrier and do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Listed below are some services available from the carrier and how to obtain them.

PURCHASING STAMPS BY MAIL

The Stamps by Mail Program provides customers the opportunity to purchase stamps, envelopes, and postal cards by using a Stamps by Mail order form, available from the post office or the carrier. Commemorative stamps and stamp collecting products are also available. The customer addresses the postage paid order form envelope, encloses payment by personal check or postal money order made payable to the US Postal Service, and mails the form (postage-free) or leaves it in the mailbox for the carrier to pick up. Most orders are processed overnight, and some immediately.

PURCHASING POSTAL MONEY ORDERS

Customers may purchase money orders by meeting the carrier at the mailbox, completing an application, and paying the carrier (in cash) the price of the money order, plus the fee. The carrier gives the customer a receipt for the application. The money order is completed when the carrier returns to the post office, and a money order receipt is left in the customer's mailbox on the next delivery day. Most customers provide the carrier with a stamped, self-addressed envelope in which the completed money order is mailed to its destination. If customers prefer, the completed money orders will be returned for verification on the next delivery day.

SPECIAL SERVICES

Special services such as certified, registered, Express Mail, delivery confirmation, signature confirmation, and COD may be obtained from the carrier by leaving a note in the mailbox, along with the appropriate payment. The carrier will provide the services that day and leave a customer receipt in the mailbox on the next delivery day.

HOLDING MAIL

Customers who will be away for an extended time, such as a vacation, may request that their mail be held at the post office during their absence. Upon return the customer asks the post office to resume delivery.

5. **Concern:** Customer suggested reducing/alternating the number of hours the post office operates.
Response: The law regarding postal operations will not allow the Postal Service to reduce hours of Post Offices.
6. **Concern:** Customers expressed concern about collection of outgoing mail.
Response: The collection box will be retained and its mail will continue to be picked up Monday through Saturday. In addition, customers may place outgoing mail in their mailboxes to be collected and dispatched by the carrier.
7. **Concern:** Customers expressed concern for those customers with disabilities who are not able to go to administrative Post Office to pick up their mail.
Response: Customers are not required to travel to another Post Office to receive mail or obtain retail services. These services will be provided by the carrier to a roadside mailbox located close to customers' residences. In hardship cases, delivery can be made to the home of a customer. Changes in the type of delivery are considered where service by existing methods would impose an extreme physical hardship for an individual customer. Any request for a change in delivery method must be submitted in writing to the administrative postmaster.
8. **Concern:** Customers expressed concern over the apparent lack of interest by the Postal Service for the needs of the community.
Response: The Postal Service is required to provide each community with regular and effective service, using the most cost efficient means possible. The proposed alternate delivery service will meet the mailing and service needs of the community in a more cost effective manner.
9. **Concern:** Customers expressed concern over the dependability of rural route service.
Response: Rural letter carriers perform a vital function in the United States Postal Service serving thousands of families and businesses in rural and suburban areas while traveling millions of miles daily. Rural letter carriers are highly respected by the American public. This respect has been earned by many years of dedication to the Postal Service and to postal customers. During national and local emergencies, including prolonged periods of extreme weather conditions, rural carriers have demonstrated great responsibility in providing mail service to postal customers. Rural carriers are required to serve the route expeditiously each day.
10. **Concern:** Customers felt inclement weather and poor road conditions might impede delivery.

Response:

Both inclement weather and heavy mail volume can cause deviations from the normal delivery schedule. However, the carrier is required to provide a vehicle of adequate size, equipped with necessary equipment (chains or snow tires, warning lights or signs, etc.) to serve the route safely and efficiently and in accordance with federal, state, and local motor vehicle laws and regulations.

11. Concern:

Customers said they would miss the special attention and assistance provided by the personnel at the Post Office.

Response:

Courteous and helpful service will be provided by personnel at the administrative Post Office and from the carrier. Special assistance will be provided as needed.

12. Concern:

Customers stated that having this meeting was a waste of time. The community was faced with losing their post office 25 years ago and they beat it, and that they would do the same thing this time.

Response:

The Postal Service is in a financial crisis and is using every legal means to reduce the costs of operation. The study for discontinuance of nearly 3700 postal retail sites is a part of the cost reduction effort.

13. Concern:

Customers were concerned about a possible address change.

Response:

Customers will be assigned a 911 address. The new address will continue to use the community name and ZIP Code. Mail will be forwarded in accordance with postal regulations. Change of address forms are available online at usps.com or from the Postal Service to assist customers in notifying correspondents of the change.

14. Concern:

Customers were concerned about having to make an address change on their bank checks and stationery.

Response:

Customers will be assigned a carrier route address. The new address will continue to use the community name and ZIP Code. Mail will be forwarded in accordance with postal regulations, and change of address forms are available online at usps.com or from the Postal Service to assist customers in notifying correspondents of the change. Customers may deplete their current supply of checks and stationery and make the address corrections when ordering new supplies.

15. Concern:

Customers were concerned about having to travel to another Post Office for service.

Response:

Services provided at the Post Office will be available from the carrier, and customers will not have to travel to another Post Office for service. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Stamps are also available at many stores and gas stations where customers may already shop, online at usps.com, or by calling 1-800-STAMP-24.

The following additional concerns were received during the proposal posting period:

Some advantages of the proposal are:

1. The rural and contract carriers will provide retail services, alleviating the need to go to the post office. Stamps by Mail order forms are provided for customer convenience.
2. Customers opting for carrier service will have 24-hour access to their mail.
3. Savings for the Postal Service contribute in the long run to stable postage rates and savings for customers.
4. Customers opting for carrier service will not have to pay post office box fees.
5. Saves time and energy for customers who drive to the post office to pick up mail.

Some disadvantages of the proposal are:

1. The loss of a retail outlet and a postmaster position in the community. Retail services will be provided by the rural or contract delivery carrier.
2. Meeting the rural or contract delivery carrier at the box to transact business. However, it is not necessary to be present to conduct most Postal Service transactions.

3. A change in the mailing address. The community name will continue to be used in the new address. A carrier route address will be assigned.

II. EFFECT ON COMMUNITY

Milledgeville is an incorporated community located in Fayette County. The community is administered politically by Mayor and Village Council. Police protection is provided by the Fayette County Sheriff. Fire protection is provided by the Jasper Township and Jeffersonville Township Fire Departments. The community is comprised of retirees, farmers, and local business owners and workers and those who commute to work at nearby communities and may work in local businesses.

Businesses and organizations include: Glispie Garage, Craig Farms, Village of Milledgeville, Village of Octa, Jasper Township Trustees. Residents may travel to nearby communities for other supplies and services.

Nonpostal services provided at the Milledgeville Post Office will be available at the Jeffersonville Post Office. Government forms normally provided by the Post Office will also be available at the Jeffersonville Post Office or by contacting your local government agency.

The proposed office provides assistance to the senior citizens Establish rural delivery.

This Milledgeville Post Office is not listed as a historic landmark.

The community name will be maintained for customer addressing, and the ZIP Code is not expected to change.

The following nonpostal concerns were expressed from questionnaires, the community meeting, on the petition, and on the congressional inquiry:

1. **Concern:** Customer expressed a concern about the loss of the community bulletin board at the Post Office.
Response: Many retail outlets and grocery stores are now displaying a public bulletin board in which items can be posted for sale, and/or lost and found items can be posted, and a variety of other information. The administrative Post Office may have a public bulletin board which may be used to post the same information.
2. **Concern:** Customers expressed a concern about the loss of a bus stop at the Post Office.
Response: Customers may contact the county school board to determine if they would be willing to erect a small building, which would shelter children from the wind while they wait on the school bus. Or contact neighboring businesses to ascertain if they would allow children to wait on the bus at their business.
3. **Concern:** Customers were concerned about the loss of a gathering place and an information center.
Response: Residents may continue to meet informally, socialize, and share information at the other businesses, churches and residences in town.
4. **Concern:** Customer expressed a concern about nonpostal services.
Response: Nonpostal services provided at the Post Office will be available at the administrative Post Office. Government forms normally provided by the Post Office will also be available at the administrative Post Office or by contacting your local government agency.
5. **Concern:** Customers felt the Post Office should remain open since they paid taxes.
Response: The Postal Service is not supported by tax dollars and must meet expenses by revenue it generates. Operational savings for the Postal Service contributes in the long run to stable postage rates and savings for customers.
6. **Concern:** Customers questioned the economic savings of the proposed discontinuance. Concern was also expressed that too much money was spent in the larger cities.

Response:

Carrier service can be and, in this case, is more cost-effective than maintaining a postal facility and a postmaster position. The Postal Service estimates an annual savings with this change. Additional funds are necessary in larger cities because of a greater workload. Larger cities often realize greater revenue which can offset their greater expenses.

Based on the information obtained in the course of this discontinuance study, the Postal Service concludes this final determination will not adversely affect the community.

III. EFFECT ON EMPLOYEES

The postmaster position became vacant when the postmaster was promoted on June 07, 2008. Finally there are 1 PMR(s) assigned to this unit. The PMR(s) will be separated from the Postal Service if there is no open facility within commuting distance.

IV. ECONOMIC SAVINGS

The Postal Service estimates a ten year savings of \$ 162,610 with a breakdown as follows:

Building Maintenance	\$ 0
Utilities	\$ 0
Transportation	\$ 29,190
EAS Craft & Labor	\$ 203,130
Contracts	\$ -8,601
Rent	\$ -17,900
Relocation One-Time Cost	\$ 800
Total Ten Year Savings	\$ 162,610

V. OTHER FACTORS

The Postal Service has identified no other factors for consideration.

VI. SUMMARY

This is the final determination to close the Milledgeville, OH Post Office and provide delivery and retail services by rural route service under the administrative responsibility of the Jeffersonville Post Office, located five miles away.

The 1 PMR(s) assigned to this unit may be separated from the Postal Service. The mail volume has declined. Effective and regular service will continue to be provided by rural route service.

The Milledgeville Post Office provided delivery and retail service to 68 PO Box or general delivery customers and no delivery route customers.

There will no longer be a retail outlet in the community. However, delivery and retail services may be available from a rural or contract delivery carrier, which could alleviate the need to travel to a Post Office for service. The Postal Service will save an estimated \$ 162,610 over the next ten years. A disadvantage to some may be in meeting the rural or contract delivery carrier to transact business. However, it is not necessary to be present to conduct most Postal Service transactions with rural or contract delivery carrier.

Taking all available information into consideration, the Postal Service has determined that the advantages outweigh the disadvantages and this final determination is warranted.

VII. NOTICES
